

Metadata Document for Open Datasets: Beneficiaries of the Working Women's Childcare Support Product (Qurrah) Q3 2025

Dataset Name	Beneficiaries of the Working Women's Childcare Support Product (Qurrah) Q3 2025
Description	This dataset contains data of beneficiaries from the Qurrah program, which is a program supporting childcare center costs for working women by the Human Resources Development Fund. The program aims to enable working Saudi women to join the labor market and continue working with peace of mind regarding the care provided to their children. The program covers up to 50% of the childcare center cost for each child of the female employee, up to a maximum of 1,600 SAR per child, provided their ages do not exceed 6 years.
