

# User Manual

For adding work and home locations in "Transport Support (Wusool)" product

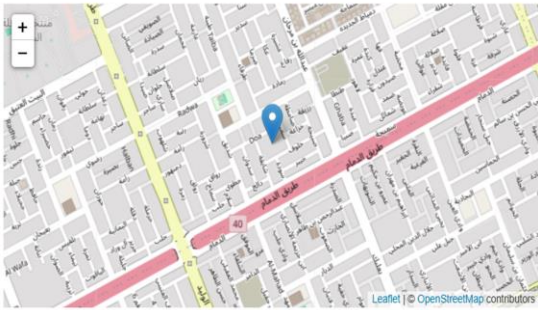

## Add Work and Home Locations

1. Login to HRDF Website <https://www.hrdf.org.sa/programs/individuals/enable/wusool/>
2. Click on "our Programs", then select "Wusool"

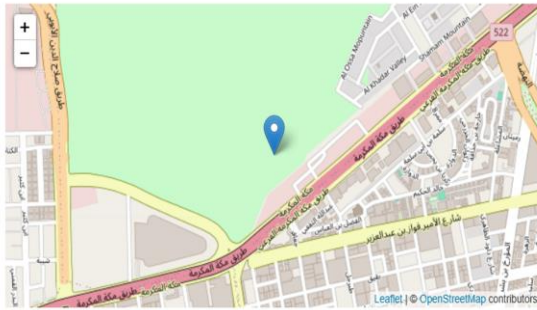

## Add Work and Home Locations

The work and home location is displayed below the beneficiary's data, and the location can be modified by clicking on "Click here to change the location"

**Home Location:**  

Coordinates

24.80417259526342,46.74470180645767

**Work Location:**  

Coordinates

24.699304,46.733735

[Click here to change the location](#)

- Use the "Location Change Cursor" button when you are at your home/work location.
- Click on the correct home/work location on the map, so that the blue cursor appears on the selected location, click on Save, and wait for the message "Location is successfully changed and will be updated in the service provider within 24 hours" for confirmation.

**\*Home and work locations may be changed 4 times per month.**
