Application for Support for Tojjar
Booths

Definition:

This is an e-service provided by Human Resources Development Fund (HRDF), enabling beneficiaries to reach a wider customer base by showcasing and selling their products in designated areas (booths) within government agencies and large companies. This service diversifies the services offered to employees without the need to visit the agency in person.

Requirements:

- The applicant must be a Saudi national.
- A health certificate is required.
- A National ID is required.

Steps to Apply for the Service:

- Application via the Website

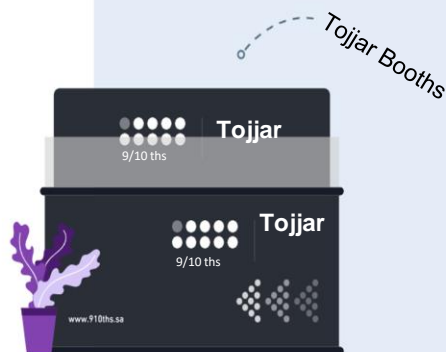

☰ **Tojjar** Home Apps Booths

Tojjar

Tojjar Booths is a service aimed at supporting productive families and entrepreneurs.

It aims to enable the beneficiaries to reach a wider customer base by showcasing and selling their products in designated areas (booths) within government agencies and large companies. This service diversifies the services offered to employees while providing social support to productive families. As such, Tojjar Booth serves as the ideal way to support them.
